The Office of Campus Safety is located in the small red building at the entrance to the main campus, opposite the Barn. Campus Safety Officers are on duty 24-hours a day, 365 days a year.

Annual Clery Act Crime Report: In compliance with the *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act*, Bennington College's Annual Report is available on-line at the above website. Printed brochures of this document are also available at the Office of Campus Safety upon request.

Reporting Crimes/Incidents: All crimes, incidents and suspicious activity should immediately be reported to the Office of Campus Safety, who will respond, investigate, provide assistance and document the incident.

Emergency Notification: Bennington College has developed an Emergency Response Plan to provide a systematic response to emergency conditions that could occur on campus. Part of this Emergency Response Plan is the notification system that communicates such situations to the community. In the event of a campus emergency, the Office of Campus Safety will send out notifications to campus phones and email addresses, and any other phone/text/email addresses provided, to members of the College community via Rave, an immediate emergency notification system. Staff members who are issued a Bennington College email address are automatically enrolled in the Rave Emergency Notification System. Staff members who do not have a Bennington College email address should contact the Director of Campus Safety (extension 4420) to request information on how to register for Rave.

Training: All Campus Safety Officers are trained and certified in CPR, first aid and the use of the Automated External Defibrillator (AED).

Services:

Parking/Decals

The Office of Campus Safety issues parking decals to faculty, staff and students, and enforces parking regulations via the issuance of tickets. All vehicles parked on College property must display a current College decal. If you plan to park your car on campus, please **register your vehicle** in StarRez. The **Campus Safety** office will issue you a parking sticker when you arrive on campus; this should be displayed on the inside of the driver's side rear window or back windshield to avoid being ticketed. Please contact **Campus Safety** (802-442-5401) with any questions or stop by their office (red building adjacent to Visitor Parking).
